

“Tell Us What You Think”

Strategic Plan for Slaughtneil GAC

The GAA in our Community is strong ... but it is also changing and moving forward. We want to shape that change and movement to our advantage.

To help do that the Club are putting in place a plan for the development of the GAA across our Community. That has to be a holistic plan... ie developed and owned by everyone associated with the GAA in Slaughtneil. It also has to cover all parts of the Association's work. This questionnaire is part of getting as wide an input as possible into the development of our new plan
